### ABOUT CURATE BY STASH

HERITAGE GOODS FOR YOUR MODERN LIFE.

For more than a decade, Stash has been built in Texas and carried around the world since 2007. A small team of women builders working from a century-old historic landmark mattress factory, our mission is to embrace mindful production over mass production. We are collectors of materials and we invest in focused production to feature the legacy of our materials while imbuing each item with thoughtful usability.
